

Technical drawing of a classroom layout showing two rows of desks. The front row consists of 6 "Módulos con paneles regulables" (adjustable panel modules) and the back row consists of 6 "Módulos con perfiles "L"" (L-profile modules). Dimensions include a total width of 2.30m, a distance of 1.75m between the rows, a distance of 1.00m between the front row and the front wall, and a distance of 2.00m between the back row and the back wall. The front wall has a height of 1.36m. The drawing also shows a door on the left wall and a window on the right wall.

Technical drawing of a storage cabinet (DET-01) showing dimensions and layout. The cabinet has a total width of 2.78 and a total height of 2.40. The width is divided into five equal sections of 0.50 each. The height is divided into four sections: 0.55, 0.58, 0.58, and 0.52. The cabinet features a base for a chain displacement system (Base para sistema de desplazamiento por cadenas) and a label 'DET-01' on the left side.

Technical drawing of a storage module with dimensions and labels:

- Dimensions:**
 - Horizontal spacing: 0.50 (repeated 4 times), Total width: 2.78
 - Vertical spacing: 0.12 (repeated 16 times), Total height: 2.40
- Labels:**
 - Cajones tipo Cornell 420 x 485 x 100 mm
 - DET-02
 - Perfil de acero en L 50 x 35 x 3.75 mm
 - Base para sistema de desplazamiento por cadenas
- Logos:**
 - Logo of the Instituto Nacional Agrario (INA) with the text "HOMINEM" and "INSTITUTO NACIONAL AGRARIO"
 - Logo of the Ministerio de Agricultura y Ganadería (MAG) with the text "MINISTERIO DE AGRICULTURA Y GANADERÍA"
- Text:**
 - PROYECTO
 - MODIFICATORIA PRESUPUESTAL N° 001/2019
 - INVESTIGACIÓN, MUSEO Y
 - NACIONAL AGRARIA LA
