

TERMS OF REFERENCE FOR THE CONTRACTING OF SERVICES

1. ORGANIC UNIT THAT REQUIRES THE SERVICE

Artisanal Development Directorate – DDA of the General Directorate of Crafts – DGA of the Ministry of Foreign Trade and Tourism – MINCETUR.

2. NAME OF THE CONTRACT

Service for the setup of exhibition stands showcasing Peruvian and exportable handicraft products, under the brand "Artesanías del Perú" at the Ambiente 2025 Fair in Frankfurt, Germany.

3. PUBLIC PURPOSE

To contribute to the strengthening of the institutional framework of the National Craft Promotion Council (CONAFAR) through the implementation of agreement 7 of Act No. 01-2024 from the Ordinary Session of CONAFAR, held on April 30, 2024; as well as to promote and position Peruvian handicrafts and contribute to the increase of exports, through the brand "Artesanías del Perú," in the international market, focusing on home and decorative items, and to generate interest among international buyers. This will be achieved through the proper setup of the exhibition of Peruvian and exportable handicraft products under the brand "Artesanías del Perú."

The brand "Artesanías del Perú" is owned by MINCETUR, according to Certificate No. 23369 dated April 10, 2019, issued by the National Institute for the Defense of Competition and Protection of Intellectual Property (Indecopi). It is the responsibility of MINCETUR to promote the competitiveness of artisans, among other things, by strengthening the sector's institutional framework and connecting artisans to the market.

4. LINKAGE WITH THE INSTITUTIONAL OPERATIONAL PLAN

Strategic Objective : Increase Peru's tourism offering through the diversification, consolidation and innovation of tourism products.

Strategic Action : Accessible promotion and commercial management mechanism for the craft sector

Goal: 0010 : Promotion and Commercial Management

Operational Activity : Complementary actions to the promotion and commercial management interventions.

5. OBJECTIVES OF THE CONTRACT

General Objective:

To have an appropriate exhibition of exportable Peruvian home and decorative items at the fair, in order to attract the highest number of visitors and reaffirm the Peruvian presence and the brand "Artesanías del Perú" at the fair.

Specific Objectives:

- Promote Peru as a diverse producer of handicrafts, enhancing its visibility and strengthening its position internationally; promoting, developing, and encouraging the commercial integration of Peruvian handicrafts into the international market.
- Promote the growth, comprehensive development, and recognition of the handicraft sector through the exhibition of handicrafts, facilitating access to the international market.
- Encourage and promote promotional mechanisms and instruments for the development of the handicraft sector and the increase in exports.

6. BACKGROUND

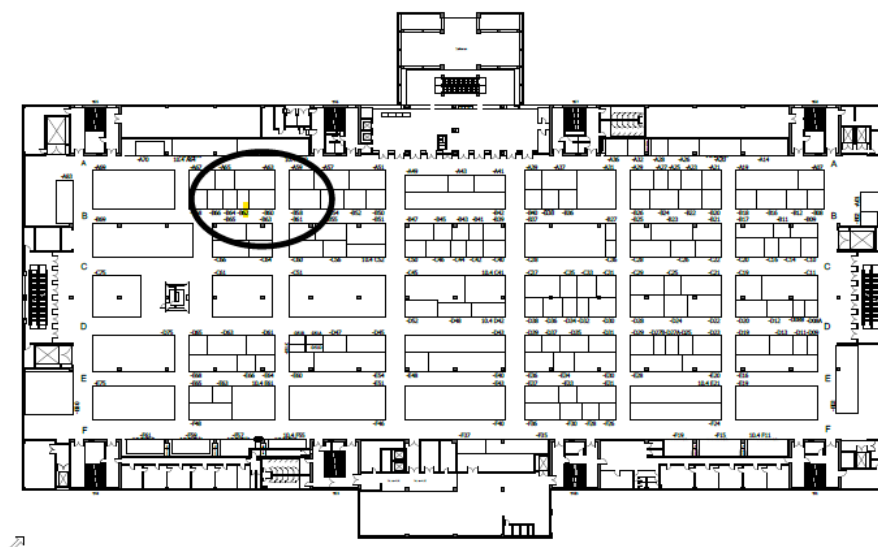

- The Ministry of Foreign Trade and Tourism, in accordance with Article 3 of its Organizational and Functional Regulation (ROF), approved by Supreme Decree No. 002-2015-MINCETUR, promotes, guides, and regulates tourism activities to foster its sustainable development, including the promotion, guidance, and regulation of handicrafts.
- Article 74-F of the aforementioned ROF establishes as a function of the General Directorate of Handicrafts to promote handicraft exhibitions and other handicraft promotion events.
- The National Craft Promotion Council (CONAFAR) in its ordinary session held on April 30, 2024, through Act No. 01-2024, by agreement 6, established: "The creation of a Permanent Working Commission, attached to CONAFAR, to promote the export of handicrafts and position Peruvian handicrafts internationally," and through agreement 7, approved participation in an international fair to foster commercial contact that promotes handicraft exports.
- The Permanent Working Commission for positioning handicrafts in foreign markets met on June 3 of this year and agreed that the AMBIENTE 2025 FAIR will be the platform around which a series of actions will be carried out, including "implementing actions for participation as a country," as part of addressing the challenges of handicraft exports.
- The Ambiente Fair is one of the most important fairs in Europe and the world, with the main objective of connecting the global supply and demand of gift, decoration, and kitchen items. The fair gathers around 136,081 buyers from 167 countries, with the main countries with the highest number of visitors being Italy, China, France, the United Kingdom, the Netherlands, Spain, the United States, Switzerland, South Korea, Turkey, and Germany. Therefore, participants have the opportunity to contact the most important international buyers.
- It is important to mention that this will be MINCETUR's first participation in the fair, and the organizer of Ambiente 2025, "Messe Frankfurt," has decided to grant MINCETUR an additional area of 21 m² in Hall 10.1, free of charge. As the event will take place in early 2025 (February 4-11), Messe Frankfurt also requires confirmation of MINCETUR's participation through the contracting of stand setup services.
- Finally, the Working Commission for Handicraft Exports, attached to the National Craft Promotion Council, decided to manage Peru's participation in Ambiente 2025 as "Country Image," and a call was made to PROMPERU, with which the participation of the country brand, guidelines for Peruvian handicraft companies, and the incorporation and promotion of the "Artesanías del Perú" brand are being worked on.

7. SCOPE AND DESCRIPTION OF THE SERVICE TO BE CONTRACTED

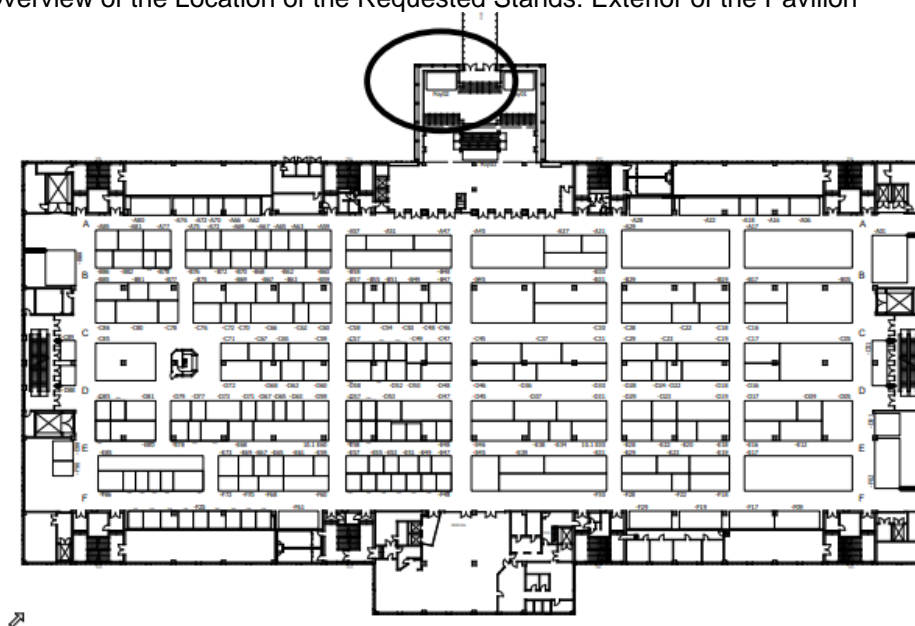

7.1. General Information about the Ambiente 2025 Fair:

- **Location:** Ludwig-Erhard-Anlage 1, 60327 Frankfurt am Main, Germany
- **Nature of the Space:** Exhibition and convention center
- **Event Type:** Fair for home and decoration products made using artisanal techniques
- **Setup Date:** February 3-6, 2025
- **Event Dates:** February 7-11, 2025
- **Dismantling Date:** February 12, 2025

Overview of the Location of the Requested Stands: Interior of the Pavilion

Overview of the Location of the Requested Stands: Exterior of the Pavilion

7.2. Service Activities

7.2.1. Setup

- Adjust the floor plans to the spaces allocated for MINCETUR's participation in the Ambiente 2025 Fair. The attached plans to these terms of reference will be used as a reference.
- Ensure the delivery of the required furniture.
- Coordinate with the user area regarding the development of logistical activities.

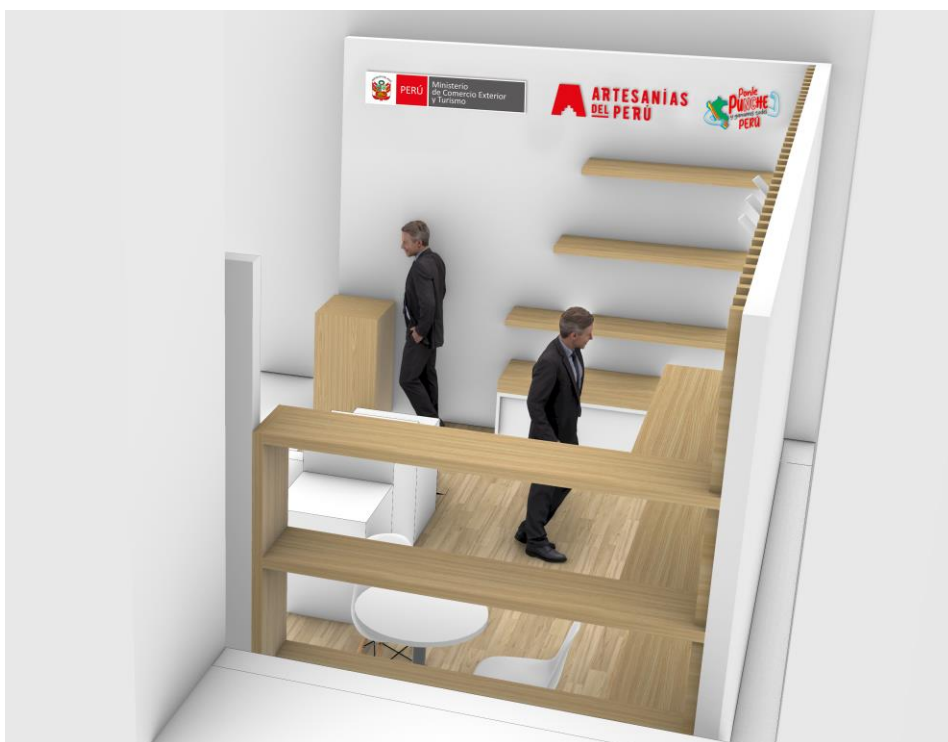

7.2.2. Installation of Stands According to the Following Specifications: Table No. 01

N°	Area	N° of stand	Hall /Salón	Type of stand	Length and width	Total área.
1	First	Stand Foyer 02	10.4	Two sides open	6.00 m X 3.5 m	21.00 m2
2	Second	B60	10.4	Two sides open	5,50 m X 4,00 m	22,00 m2
3	Therd	B65	10.4	Two sides open	7,00 m X 3.50 m	23,00 m2
4	Fourth	B61	10.4	Two sides open	5.5 m x 3.5 m	19.25 m2
5	Fifth	C64	10.4	Two sides open	5.0 m x 3.5 m	17.5 m2

- 7.2.3. For stands 1, 2 and 3, the VB from the MINCETUR Communications and Protocol Office will be required regarding the use of the logo.

7.2.4.Descriptive Legend by Stand:

- For Stand N°. 1, from Table No. 01, the descriptive information can be found on pages 1, 2, 3, 4, 5, 6, and 7 of Annex 01.

General Graphic View:

- For Stand N°. 2, from Table No. 01, the descriptive information can be found on pages 8, 9, 10, and 11 of Annex 01.

General Graphic View

- For Stand N°. 3, from Table No. 01, the descriptive information can be found on pages 12, 13, 14, 15, and 16 of Annex 01.

General Graphic View

- For Stand N°. 4, from Table No. 01, the descriptive information can be found below:

General Graphic View (Image for reference only)

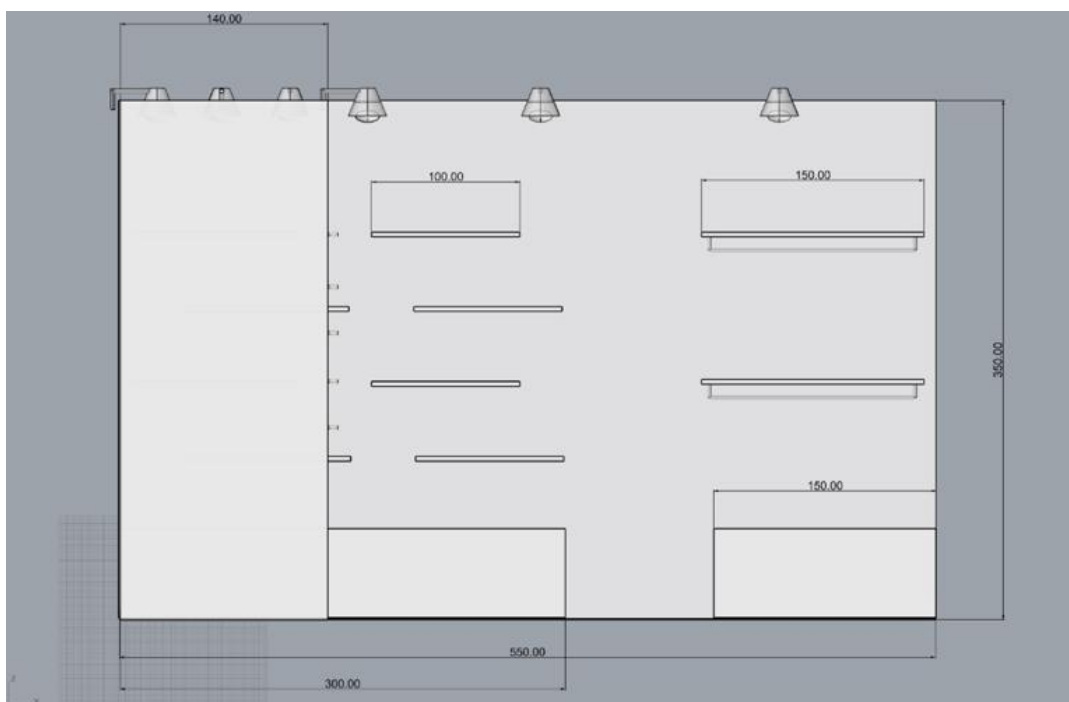

Furniture:

- Graphic design printed on walls
- Laminated panel and wood floor with LED lighting on edges
- 4 chairs, 1 table, and trash can
- 6 Orion spotlights
- TV screen and hanging tube
- 6 furniture pieces and 4 shelves
- Smooth white walls
- Storage booth with white door
- Electrical outlet

- For Stand N°. 5, from Table No. 01, the descriptive information can be found below:

General Graphic View

7.2.5. Complementary Services:

Complementary services required for stands 1, 2, 3, 4, and 5

The service must include:

- Internet access via Wi-Fi
- Access to electricity at each stand or exhibition point
- Access to plug adapters for outlets used in Peru
- Cleaning of spaces from February 7 to 11

8. REQUIREMENTS FOR THE PROVIDER AND ITS PERSONNEL

Construction company approved by the Ambiente 2025 Fair

9. PLACE AND TERM OF SERVICE DELIVERY

- The service will be provided in the city of Frankfurt, Germany.
- The service execution period will be from February 3 to 12, 2025.

10. DELIVERABLES

The content of the deliverable is as follows:

SINGLE DELIVERABLE:

- Document or floor plan of the stands to be used by MINCETUR.
- Contact details of the individuals responsible for the coordination and installation of the required stands.
- Document guaranteeing that MINCETUR has the stands set up for use.

It must be submitted within a period of up to ten (10) calendar days, starting from the day after the contract is signed.

Note: The deliverables must be submitted via the virtual window or through the MINCETUR's document reception desk at Calle Uno Oeste N° 050, San Isidro, Lima, via a letter addressed to the Craft Development Directorate (DDA).

11. OTHER OBLIGATIONS OF THE CONTRACTOR

The contractor is directly and fully responsible for the activities they will carry out, whether directly or through their personnel, and must be accountable for the service provided. Furthermore, if the contractor carries out activities that require the submission of sworn declarations of interests in accordance with Article 8 of the Regulation of Law 31227, which was approved by Comptroller Resolution No. 162-2021-CG, they must submit their declaration of commencement and cessation. This is an essential requirement that must be part of the deliverable so that their immediate supervisor can issue approval for the service.

12. PAYMENT METHOD

Payment will be made as follows:

- In one (01) installment of the total contracted amount, subject to the approval of the deliverable presentation. The payment receipt must be submitted through the MINCETUR Virtual Window, addressed to the Office of Supply and Auxiliary Services. Access to the Virtual Window is available through the Ministry's website or via the following link: <http://ventanillavirtual.mincetur.gob.pe/>
This platform is available 24 hours a day, 7 days a week.

13. SERVICE APPROVAL

The approval of the service will be the responsibility of the Artisanal Development Directorate of the General Directorate of Handicrafts, after approval by the Communications and Protocol

Office of MINCETUR with regard to point 7.2.3 of this document and after a report by the specialist or professional assigned by said Directorate, who must supervise and verify compliance with all the provisions indicated in these terms of reference.

14. CONFIDENTIALITY AGREEMENT

- a) THE CONTRACTOR acknowledges that the nature of the service subject to this Service Order allows access to confidential and privileged data and information, and agrees not to disclose, discuss, provide, or transfer such information to third parties in any form without the prior express written approval of MINCETUR. This obligation applies to all personnel assigned to the provision of the service.
- b) THE CONTRACTOR commits to taking the necessary measures to ensure full compliance with the provisions of this clause.
- c) THE CONTRACTOR must keep all information provided by MINCETUR confidential. At the end of each assignment, the contractor will return all documents provided by MINCETUR.
- d) In the event of non-compliance with the above, MINCETUR may initiate legal actions against THE CONTRACTOR. The confidentiality obligation will survive the termination of the contract and will remain in effect indefinitely, and may not be disclosed at any time.
- e) THE CONTRACTOR agrees and is obligated not to disclose the obtained information to third parties, under the responsibility of legal actions by the Entity if the opposite occurs. THE CONTRACTOR will keep all information provided by the Entity confidential and, at the end of the service, will return all documents provided. This includes both printed material and data stored on magnetic and/or digital media. All information and/or documentation generated as part of the service will be the exclusive property of the Entity, and the contractor may not use it outside of this service.

15. CONTRACTOR'S RESPONSIBILITIES

The contractor is responsible for the quality offered and for any hidden defects in the service provided for a period no less than one (01) year, starting from the approval granted by the Entity.

16. . PENALTY

16.1. Penalty for delay in service execution

In the event of unjustified delay by the PROVIDER in the execution of the services under the contract, the Entity applies a penalty for delay for each day of delay. The penalty is applied automatically and will be calculated according to the following formula:

$$\text{Daily Penalty} = 0.10 \times \text{Amount} \\ F \times \text{Time in Days}$$

Where F has the following values:

- a) For periods of sixty (60) calendar days or less, for goods, services in general, consultancies, and works: $F = 0.40$
- b) For periods greater than sixty (60) calendar days:
 - b.1) For goods, services in general, and consultancies: $F = 0.25$
 - b.2) For works: $F = 0.15$

Both the amount and the period refer, as applicable, to the total execution of the service or to the partial obligation, if applicable, that was subject to delay.

17. INTELLECTUAL PROPERTY

The provider assigns to MINCETUR and the General Directorate of Handicrafts any rights generated as a result of the design and development that are the subject of this service under Supreme Decree No. 822, the Copyright Law. Furthermore, the provider agrees not to use it for purposes other than those related to the service provided, neither during its execution nor after

PERÚ

Comercio Exterior
y Turismo

Viceministerio
de Turismo

Dirección General
de Artesanía

Dirección de Desarrollo
Artesanal

its acceptance, without prior written authorization granted by MINCETUR and the General Directorate of Handicrafts.

18. ANTICORRUPTION OBLIGATION

THE PROVIDER declares and guarantees that neither it, directly or indirectly, nor in the case of a legal entity, through its partners, members of the administration bodies, agents, legal representatives, officials, or advisors, has offered, negotiated, or made any payment or, in general, any illegal benefit or incentive in relation to the contract.

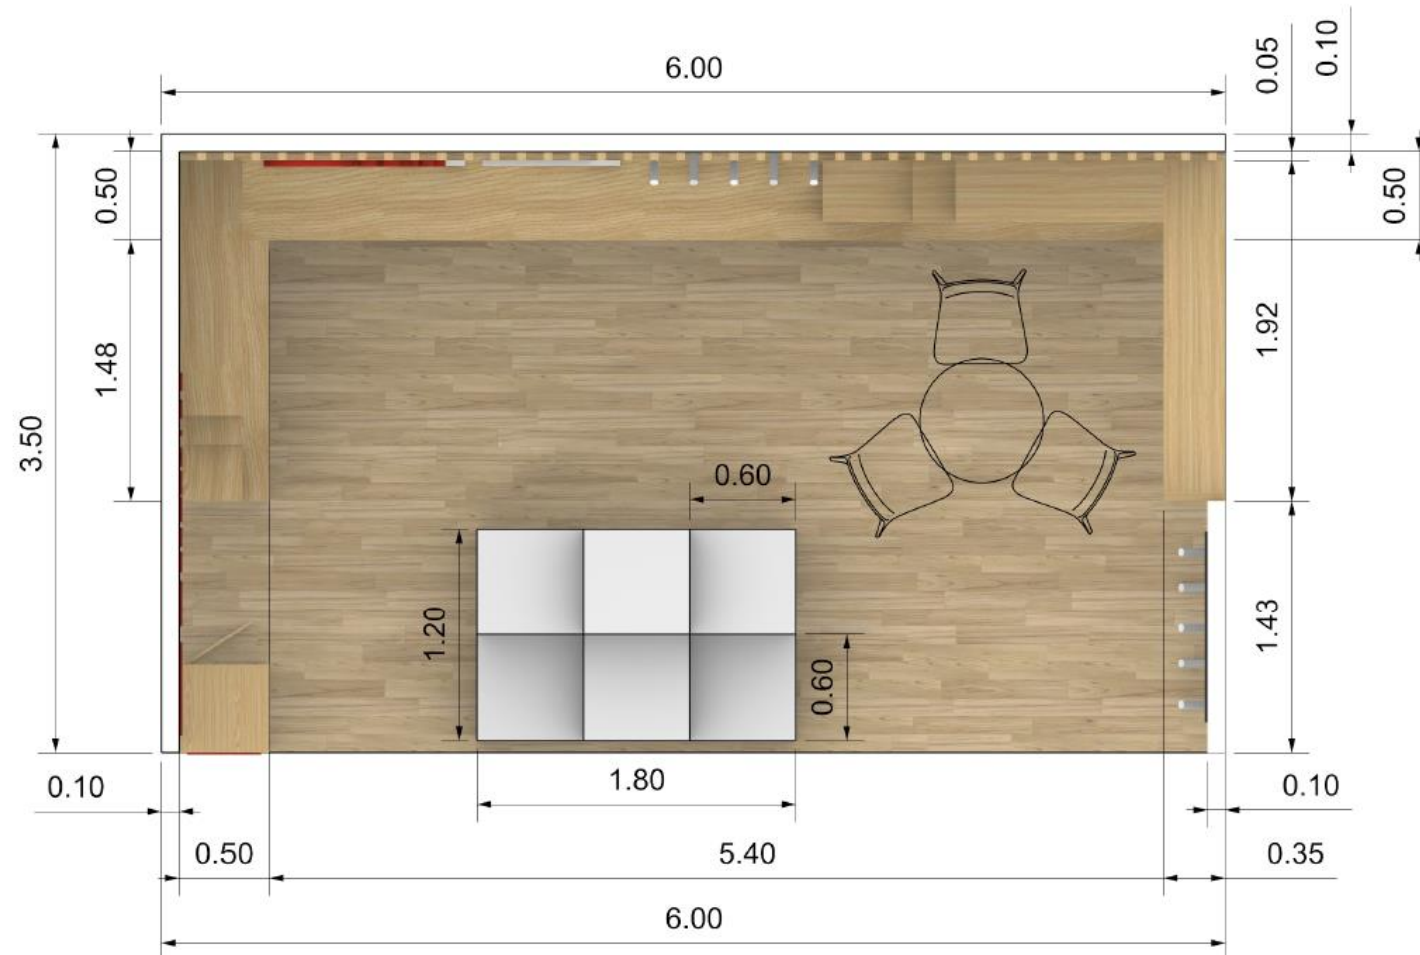

Furthermore, THE PROVIDER undertakes to conduct itself at all times, during the execution of the contract, with honesty, integrity, truthfulness, and fairness, and not to engage in illegal or corrupt acts, either directly or indirectly, or through its partners, shareholders, members of the administration bodies, agents, legal representatives, officials, and advisors.

In addition, THE PROVIDER commits to promptly and directly report any illegal or corrupt act or behavior of which it becomes aware to the competent authorities, and to adopt appropriate technical, organizational, and/or personnel measures to prevent such acts or practices.

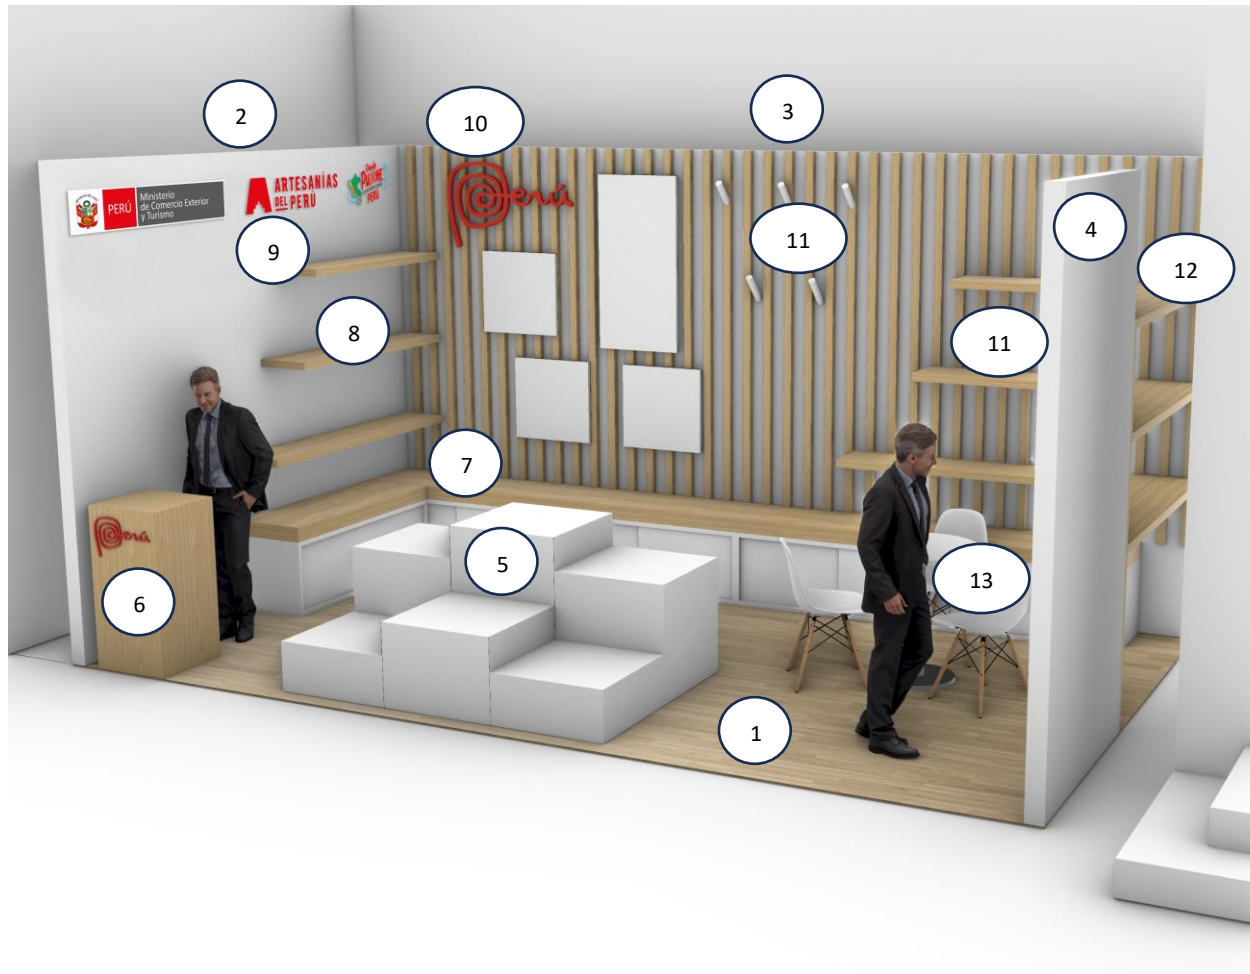

19. OTHER GROUNDS FOR CONTRACT TERMINATION

The grounds for contract termination include the submission of inaccurate or false information in the Affidavit of Prohibitions and Incompatibilities referred to in the Law on Prevention and Mitigation of Conflicts of Interest in the Entry and Exit of Personnel in Public Service. Furthermore, if the prohibitions outlined in Article 5 of that law are violated, a five-year disqualification will be applied, preventing the contractor from entering into contracts or providing services to the State under any modality.

Descriptive Legend

OBJECT: MAIN STRUCTURE STAND						
N°	Item	Quantity	Measurements (units: meters)			Material Description
			Length	Width	Height	
1	Laminated Floor	1	6 m	3.5 m	0.05 m	Laminated floor with parquet-type finish.
2	Side Wall 1	1	3.5 m	0.1 m	3 m	Melamine wall with a bright white color finish, has 2" square tubing as internal structure with a hook system to support both mounted and fixed shelves into the wall.
3	Rear Wall	1	6 m	0.1 m	3 m	Rear wall contains melamine slats with a clear wood color finish throughout the entire wall surface. These are equidistantly spaced by a distance of 0.1 m. These squared shaped slats have a width of 0.05 m with a height of 2.4 m. The melamine wall is of bright white color and has to have an internal structure to fix and support the shelves, the mirrors and the hooks that hang the fabrics.
4	Short Side Wall 2	1	1.43 m	0.1 m	3 m	Melamine wall has a clear wood color finish, with an internal structure. The wall has wooden hooks that allow hanging of the fabric for exhibit. At the top of the wall there is a Mincetur Logo printed in full color on printable vinyl and glued to a 1.1 m by 0.2 m foam board. This picture will be provided by Promperú.
5	Product Display	6	1.8 m	1.2 m	0.9 m	Product display is composed of 6 melamine cubes with a bright white color finish. The cubes measure 0.6 m by 0.6 m with a height that varies as shown in the 3D View. This includes 2 cubes with a height of 0.3 m, 2 other cubes with a height of 0.7 m, 1 cube with a height of 0.9 m and the last cube with a height of 0.5 m. There are 6 cubes in total for the exhibit.
6	Counter	2	0.5 m	0.5 m	1 m	Melamine counter with a clear wood color finish. On the front there is a Promperú logo on MDF label with a branded red color finish, 0.4 m in length with a height proportional to its length. It contains an internal shelf with a handle and a key. Attached you can find drawings with the measurements and rear view of the counter.
7	L-shaped Credenza	1	6 m	1.98 m	0.6 m	The L-shaped credenza has sliding doors and interior shelves for storing products. Attached you can find drawings with the measurements and rear view of the credenza.
8	Shelves	3	1.93 m	0.35 m	0.03 m	Shelving on Side Wall 1 is composed of 3 shelves equidistantly spaced 0.55 m from each other. These have a width of 0.35 m with length that varies among them. The top shelf has a length of 1.44 m, making it the shortest of the 3. The second shelf has a length of 1.60 m and the bottom shelf has a length of 1.93 m. The shelves are made of melamine with a clear wood color finish as shown in the 3D View.
9	"Artesanías del Perú" Logo	1	2 m	0.02 m	—	High-relief lettering on MDF label with a branded red color finish. It is 2 m in length with a height proportional to its length. This logo is located 0.1 m from the top of the wall.
10	Promperú Logo	1	1 m	0.02 m	—	High-relief lettering on MDF label with a branded red color finish. It is 1 m in length with a height proportional to its length. This logo is located 0.1 m from the top of the wall.
11	Hooks for hanging fabric	10	—	—	—	Round wooden dowels to be utilized for hanging fabric. 5 units to be placed on the rear wall, interspersed and equidistant from each other. The other 5 units are placed on the short Side Wall 2. Attached you can find drawings showing the location and height of these wooden dowels.
12	L-shaped Shelves	3	—	—	—	All 3 L-shaped shelves have a clear wood color finish, separated by a distance of 0.55 m from each other. Attached are the detailed measurements for each.
13	Table & Chairs	1	—	—	—	It is required to have a 0.6 m diameter round table with 3 standard chairs as shown in the 3D view.
